## Geographical Allocation & Growth Projections

CMT lends to prime and near prime borrowers in Canada, the United States and Mexico. CMT primarily lends to foreign individuals who have difficulty obtaining residential mortgage financing in a country where they are not a permanent resident and as such, do not have the domestic income or credit history required to obtain local mortgage financing. Over time CMT will reallocate CMT's Investments from being substantially secured in Canada to being allocated equitably in Canada, the United States and Mexico.

## Who Is Caplink Financial Corporation?

- 27 years of experience operating a mortgage investment firm.
- Managed three mortgage funds over the last 17 years with a peak AUM of approx. \$90,000,000.
- In 2019 Caplink anticipated potential real estate and economic instability and as such, strategically began to pursue underserved markets in the United States and Mexico.
- In 2022 amalgamated two mortgage funds into Caplink Mortgage Trust with an investor retention rate of approx. 92%.

An offering memorandum dated April 29, 2024, ("OM") containing important information relating to the securities described in this document (the "Securities") has or will be filed with the securities regulatory authorities in each of the jurisdictions where a distribution has occurred or will occur pursuant to the OM. A copy of the OM is required to be delivered to you at the same time or before you sign the agreement to purchase the Securities described in this document pursuant to the OM. This document does not provide disclosure of all information required for an investor to make an informed investment decision. Investors should read the OM of Caplink Mortgage Trust ("CMT") especially the risk factors relating to CMT and the Securities offered, before making an investment decision.

An investment in CMT is highly speculative and involves a number of risks, including the nature of the business to be conducted by CMT and the risks inherent in CMT's investment strategies. Only investors who are willing to rely solely upon the ability, expertise, judgment, discretion, integrity and good faith of Caplink Financial Corporation ("Management"), who do not require immediate liquidity of their investment and who can afford a total loss of their investment should consider an investment in CMT. Prospective investors should read the entire OM and consult with their own professional advisors to ascertain and assess the income tax, legal, risks and other aspects of their investment in CMT before making an investment. There is no guarantee of performance, and past or projected performance is not indicative of future results. No person has been authorized to give any information or to make any representation not contained in this document or the OM.

No securities regulatory authority has assessed the merits of, or expressed an opinion about the Securities, the information contained in this document or the OM. The Securities will only be offered and sold in such jurisdictions where they may be lawfully offered for sale and, in such jurisdictions, only by persons permitted to sell such Securities. The Securities may only be sold to prospective investors who reside in certain provinces of Canada and who meet certain eligibility criteria on a basis which is exempt from the prospectus requirements of applicable Canadian securities laws.
